ITINERARY

Today is the day, the day you **meet your tour guide** and the day that you meet your new travel family for the best 4 weeks of your life.

We will get to know each other in our **meet and greet session**, where we'll also go over your itinerary for your East Coast adventure, answering anything and everything so that you feel as relaxed and excited as possible.

After that we'll head for a cool secret inclusion followed by a **Welcome Dinner**, our first meal as a travel fam! That evening be getting the overnight bus to our next stop, beautiful Byron Bay.

With its **beautiful beaches, epic surf, great food** and **good vibes**, every traveller has Byron Bay on their bucket list. You will do a tour of 'the Bay' with your tour guide before having a group meal to celebrate your first night in town.

The next 2 days are all about you, that's the beauty of our style of trip. Some of your group may want to **surf**, do **yoga** or just **chill on the beach**. Everyone's different but whatever you want to do, our tour guide will be able to help with. We'll spend the twilight hours of your 2nd evening on a stunning **sunset river kayak tour** finishing at the pub. The final evening in Byron Bay will be a team night out, what a great first few days! Whilst in **Byron Bay** we'll be staying at the incredible Surf House, which is 100m from the beach AND has a **rooftop bar**.

From Byron Bay, you'll be heading up the Coast as a group without your tour guide, but worry not, before this your guide will host a special session to help with the rest of your time in Australia.

Your next stop is **Surfers Paradise** where you'll stay in the best hostel on the **Gold Coast**.

Here you'll have time to hit the **beach**, or go to one of the many **theme parks**, all of which we can help organise for you! From the Gold Coast, we will carry on to Queensland's capital, **Brisbane**.

We want you to experience new things in new places that you may not have heard of before, and that's what today is all about.

You'll spend the day at beautiful **Tamborine National Park** where you'll take in incredible look outs, swim in **secret waterfalls** and do some **wine tasting**. Not only that, you'll get to see **glow worms** too, how cool?!

Noosa is a popular holiday destination for travellers, but also Aussies. To be honest, Noosa is as perfect as life gets. Like Byron Bay, it has **beaches to die for** and a **great food scene**, but it also has a National Park that's just 500m from town. This National Park is home to the famous **Fairy Pools**. We have the best advice on how to explore the National Park and the rest of Noosa, as well as where **the best sunset spots** are.

We're committed to you staying at the best hostels and here we'll stay in Bounce, a brand new hostel that's just minutes from the **turquoise river**, perfect of a swim. Not only is Noosa itself stunning, it's not far away from one of the world's two **Everglades National Parks**. Guess where we're heading next?

After Noosa, we've organised for you to stay lakeside at Habitat Noosa. Here you'll be staying together in **cabins that are surrounded by Kangaroos** every evening. You can grab a **kayak** or **paddleboard** and hit the lake or chill out on land with a beer at the **onsite brewery**.

On your 2nd day at Habitat you'll be lucky enough to experience the **Everglades National Park**, firstly on a **boat cruise**, and then secondly by **canoe**. Both are on the spectacular **River of Mirrors**. Don't worry, it's a short distance to canoe and they supply everything you need!

13-14

K'Gari (meaning paradise) is the traditional name for a place you may know as **Fraser Island**. The world's largest sand island is one of the East Coast's most popular places for travellers like you.

We explore the **rainforest**, **sand blows** and **freshwater lakes** (like Lake McKenzie) on a **4WD tag along tour** so we can see every part of it. You will also get the chance to drive!* We stay as a group on the island, before returning to beautiful **Rainbow Beach**. Because it's the coast's perfect beginner beach, this is where we can book you a **Surf Lesson!**

**Must be 21+ and hold a valid drivers license.*

15-20

We want you to experience the best things on the East Coast, and the **Whitsundays** is one of them. What's better than experiencing the Whitsundays once? Experiencing it twice! We're obviously going to ensure you see the Whitsundays by boat, on a fantastic day trip that includes **snorkelling pristine waters** and visiting **Whitehaven Beach**.

Before that though, we're going to take you on a truly once in a lifetime experience, a 60 minute, **scenic flight over Heart Reef**. Yes, that's included!

21-23

You may not have heard of **Magnetic Island** but it is a true Welcome to Travel favourite, I mean look at it! After so many activities this is a great place to relax and recharge before your final stop, Cairns.

There's no better place to chill than 'Maggy' home to so many wild **koalas** and **wallabies**. While on Magnetic Island you'll be able to do the famous **Forts Walk**, **hire kayaks**, **snorkels** or wait for it...**Barbie Cars!**

All of which we'll be able to help you with of course!

24-26

And just like that, you've travelled 3000km and you're now a **true travel family**.

To celebrate this, you're going to spend an incredible day out on the **Great Barrier Reef**, where you'll **snorkel with Nemo**. If you want, you'll also get the opportunity to **scuba dive** too! Following that, you'll clink our glasses and say cheers to the best month of our lives at your final farewell meal. With so many things to do, **Cairns is THE place for backpackers**. From white water rafting, to rainforest trips, bungy jumps, Skydives etc., we can help you book all of this.

Whilst in Cairns, you'll be staying at the famous **Gilligans Resort**, complete with a pool and bar within it.
