ARRIVAL INFORMATION

It's best to arrive on the actual start date.

There's no activities on the first day, so you can arrive at any time. However, we do recommend arriving before 3pm to avoid traffic. If you do arrive early, we'll still pick you up from the airport and will book you into our accom from the day you arrive. Extra nights can be pre-paid with your agent or direct to us.

It's also recommended to have onward travel booked out of Bali before travelling there, as you may get asked for proof of this before boarding your flight to Bali.

AFTER BALI EXPERIENCE

The Bali Experience 12 day finishes in Ubud. You can choose to stay on longer in Bali or if you need to get back to the airport then it's a simple taxi transfer that will take around 1- 1.5 hours. The earliest we recommend booking an onward flight out of Bali is around 1pm on your final day.

Your group leader will ensure any other local transport is sorted and you are comfortable with all parts of your trip and your onward travel.

VISAS

A visa on arrival (VOA) for Bali is available to citizens of over 42 countries. The VOA can be obtained upon arrival in Bali and travellers must provide the relevant documentation as well as pay the VOA application fee of IDR 500,000 (\$35 USD). You will need at least 6 months remaining validity and 2 blank pages in your passport. It's also recommended to have onward travel booked out of Bali before travelling there, as you may get asked for proof of this before boarding your flight to Bali. We recommend checking with your local Indonesian consulate for up to date visa requirements and costs. If you need any further help with visas just contact us.

TRAVEL INSURANCE

Travel insurance for Bali is compulsory to join Bali Experience. Your group leader will ask to see proof of your cover before your trip begins. You can organize your travel insurance [here](#).

FAQS

DO MANY PEOPLE TRAVEL ALONE?

Yes. Lots of people on our trips are travelling solo. But by doing our trip you'll instantly be part of a group, so it's a great way to meet others and make friends! Most of our accommodation is twin or triple share, so we will put you in a room with someone of the same gender.

CAN I CHAT TO MY GROUP BEFORE I LEAVE?

You can start chatting to people in your group and other travellers before you leave. Just go to our Facebook page, click on 'Groups' and choose [Bali](#).

WHEN IS THE BEST TIME TO VISIT BALI?

The great thing about Bali is it's usually quite hot all year round, so it's great to go at any time. There are generally 2 broad seasons in Bali. April to September is usually dry and hot. October to March is slightly cooler with a slightly higher chance of rain, but this rain is often only for an hour or so, which can be a nice relief from the heat.

WHAT'S A PREMIUM TRIP?

When we have 2 similar itinerary options in the same destination, the premium trip is the upgraded version. With a higher standard of accommodation, some exclusive activities and more meals.

HOW MUCH SPENDING MONEY WILL I NEED?

All your activities, accommodation, transport and most meals are included, so you'll just need money for any extra meals, drinks, shopping and any onward travel. We recommend you bring at least £600 / \$1000 spending money.

HOW WILL I ACCESS MY MONEY WHILE I'M AWAY?

We recommend getting a travel currency card through [Wise](#). You can use the Wise card almost everywhere and withdraw cash and use it with Google or Apple Pay. If you transfer your money into the local currency, you can avoid paying foreign exchange fees when you use the card. There are ATM's available throughout Bali and some places only accept cash.

IS THERE WI-FI THROUGHOUT THE TRIP?

All accommodations we stay at have free Wi-Fi available. Indonesia's network quality is often lower than you're used to but you can generally connect and do basic stuff.

WHAT LUGGAGE DO YOU RECOMMEND?

We always recommend travelling with a backpack and packing light! 10-20kgs of stuff should be plenty. It's generally quite hot in Bali so dragging around a huge suitcase is not much fun. There is luggage storage at the airport or at some accommodations if needed.

WHAT PLUGS ARE USED IN BALI?

Bali and the rest of Indonesia generally use a round 2 pin socket the same as most of Europe. It's always best to grab yourself an appropriate adaptor if needed before you go.
