FAQS

DO MANY PEOPLE TRAVEL ALONE?

Yes. Lots of people on our trips are travelling solo. But by doing our trip you'll instantly be part of a group, so it's a great way to meet others and make friends! Most of our accommodation is twin or double share, so we will put you in a room with someone of the same gender.

CAN I CHAT TO MY GROUP BEFORE I LEAVE?

You can start chatting to people in your group and other travellers before you leave. Just go to our Facebook page, click on 'Groups' and choose [Cambodia](#).

WHEN IS THE BEST TIME TO VISIT CAMBODIA?

It's always a good time to go travelling in Cambodia as it's usually warm all year round. There's a slightly higher chance of rain from May to October but that's usually a brief downpour in the afternoon followed by sunshine. The rest of the year is generally hot and dry.

HOW MUCH SPENDING MONEY WILL I NEED?

All your activities, accommodation, transport and some meals are included with Cambodia Intro, so you'll just need money for some meals, drinks, shopping and any onward travel. We recommend you bring at least £300 / \$500 spending money. USD is accepted everywhere and much easier to get.

HOW WILL I ACCESS MY MONEY WHILE I'M AWAY?

We recommend getting a travel currency card through [Wise](#). You can use the Wise card almost everywhere and withdraw cash and use it with Google or Apple Pay. If you transfer your money into the local currency, you can avoid paying foreign exchange fees when you use the card. There are ATM's available throughout Cambodia so it's easy to get access to cash. Some places accept credit card but not all.

IS THERE WI-FI THROUGHOUT THE TRIP?

Most accommodations we stay at have free Wi-Fi available. Cambodia's network quality is often lower than you're used to but you can generally connect and do basic stuff.

WHAT LUGGAGE DO YOU RECOMMEND?

We always recommend travelling with a backpack and packing light! 10-20kgs of stuff should be plenty. It's generally quite hot in Cambodia so dragging around a huge suitcase is not much fun. There is luggage storage at the airport or at some accommodations if needed.

WHAT POWER OUTLETS ARE USED?

Cambodia generally us plug types, A, C and G. Plug type A is the plug which has two flat parallel pins, plug type C is the plug which has two round pins and plug type G is the plug with three rectangular pins, in a triangular pattern.
