## FAQS

### DO MANY PEOPLE TRAVEL ALONE?

Yes. Lots of people on our trips are travelling solo. But by doing our trip you'll instantly be part of a group, so it's a great way to meet others and make friends! Most of our accommodation is twin or triple share, so we will put you in a room with someone of the same gender.

### CAN I CHAT TO MY GROUP BEFORE I LEAVE?

You can start chatting to people in your group and other travellers before you leave. Just go to our Facebook page, click on 'Groups' and choose [Thailand](#).

### WHEN IS THE BEST TIME TO VISIT THAILAND?

The great thing about Thailand is it's usually quite hot all year round, so it's great to go at any time. There is a slightly higher chance of rain around October and November, however it usually only rains for an hour or so which can be a nice relief from the heat.

### HOW MUCH SPENDING MONEY WILL I NEED?

Your activities, accommodation, transport and most meals are included, so you'll just need money for any extra meals, drinks, shopping and any onward travel. We recommend you bring at least £300 / \$500 spending money.

### HOW WILL I ACCESS MY MONEY WHILE I'M AWAY?

We recommend getting a travel currency card through [Wise](#). You can use the Wise card almost everywhere and withdraw cash and use it with Google or Apple Pay. If you transfer your money into the local currency, you can avoid paying foreign exchange fees when you use the card. There are ATM's available throughout Thailand so it's easy to get access to cash.

### IS THERE WI-FI THROUGHOUT THE TRIP?

Most accommodations we stay at have free Wi-Fi available. Thailand's network quality is often lower than you're used to but you can generally connect and do basic stuff.

### WHAT LUGGAGE DO YOU RECOMMEND?

We always recommend travelling with a backpack and packing light! 10-20kgs of stuff should be plenty. It's generally quite hot in Thailand so dragging around a huge suitcase is not much fun. There is luggage storage at the airport or at some accommodations if needed. You'll also need a small overnight bag for some nights of your trip.

### WHAT POWER OUTLETS ARE USED?

Thailand generally uses a flat or round 2 pin socket the same as most of Europe. It's always best to grab yourself an appropriate adaptor if needed before you go.

### TERMS & CONDITIONS

For the full set of terms & conditions for our tours including your responsibilities as a traveller with us, please see the [Terms & Conditions](#) section of our website.

### That's about it for now!

Once you've booked you'll get access to 'Manage My Booking' and the INTRO Travel App, which will give you all the information you'll need on Thailand and Thai Intro, so you can just relax and enjoy the experience.
