You'll get to know your new travel family first thing in the morning in a fun meet and greet session. Then, we'll put you at total ease by **organising** your **bank account**, **phone number** and **Tax File Number**. This means that you're all set up for the rest of your time in Aus from the start! After that it's time for us to take you on a **guided walking tour** of Melbourne where you'll learn why so many travellers love this incredibly diverse city. We'll end the day with a group **Welcome Dinner** along the iconic Yarra River in the heart of the city.

Australia is famous for its surf culture, today we're giving you the chance to **learn how to surf** with a lesson at a perfect beginner beach. This day also includes a couple of hidden secrets before capping it all off by spending sunset witnessing the **smallest penguins in the world** emerge from the ocean and waddle across the beach. Yes, you read that right! We'll stay overnight on Phillip Island.

Today is going to be epic! We know that you've been looking forward to getting the chance to see some of Australia's amazing **kangaroos** and **koalas** up close and that's what we'll be doing today. After lunch we'll be getting in some much needed **beach time** before we take in some **spectacular scenic viewpoints**. We'll be finishing our adventure tasting some of our favourite **local wines** from the area. From there the tunes are turned up as we head back to Melbourne.

Today you're going to be **planning out your life in Australia**. You'll sit down with a member of the Community Team to **chat all about your Australia plans**, whether that's help finding farm work or questions about your resume. Or booking accommodation for next week or planning a whole East Coast adventure! All good things must come to an end - but not before a **farewell meal**. We'll be swapping stories, travel plans and Insta handles. Then the weekend is yours to enjoy!

How will I find a job?

With our help, that's how! As part of our service you'll receive exclusive tips, resources and guidance towards finding a job and farm work.

How much money do I need for food and drinks whilst on tour?

Because accommodation, activities and some meals and drinks are included, we suggest to bring around \$200-\$250 spending money.

What is the average age of people on tour?

We cater for people 18-39 years old, but it always varies, we love that!

Do I need a visa to come to Australia?

Yes you do! If you're just visiting Australia, you'll need a Visitor Visa. If you also want to work, you'll need a Working Holiday Visa (417) or a Work and Holiday Visa (462) depending on where you're from.

I'm nervous to travel solo! Will the group help me with this?

Of course you are - anyone would be - and of course we will! One thing about our tours that amazes us the most is how close our travellers get on tour. Everyone's in the same boat, and you will make friends for life.

What happens after my tour with Welcome to Travel?

Up to you! Everyone is different and your plans may even change after meeting some new mates. Either way, our team will go through options that suit YOU. We're here for you throughout your whole time in Straya!
