AIRPORT PICK-UP

6 NIGHTS DORM ACCOMMODATION

Welcome to Sydney! You'll be meeting your travel family and your guide for the first time on Monday morning, so you will need to be in Sydney by Sunday night at the latest. We'll make sure an **airport transfer** gets you to your hostel safe and sound. Landing a few days before and need extra nights at the hostel? No worries! Just let us know and we'll organise it for you. Once at the hostel, you can **relax on the rooftop** and take in that incredible view before the amazing week of adventure ahead.

Today's the day you'll **meet your guide and your new travel family**, how exciting! After getting to know each other we'll get your **Bank Account, Sim Card and Tax File Number** organised so you can explore stress-free. On our **city walking tour** we'll show you why Sydney is such an iconic and charming city, and why travellers absolutely love it. We'll end our first day together with a **Welcome Dinner** at one of Sydney's most loved venues.

Today we're starting to think about **what you'll be doing next in Australia!** You'll have two presentations to help you, one on employment, one on travel. We'll be spending the afternoon seeing the **hidden gems of Sydney**. First we'll learn about the world's oldest continuous civilisation, with an **Aboriginal Cultural Tour**. And then it's on to our own **private cocktail class**. After a full day, we'll show you where to get the best food in the city.

SCENIC ROAD TRIP

SURF LESSON

It's been wow up to now, but today is all about you having an **Australian cultural experience**. We'll suit up for a stunning morning surf at the beautiful Seven Mile Beach, home to **Surf Camp Australia**. Catching that first wave is the best feeling and you'll remember it forever. At breakfast you'll have never surfed, but at lunch you'll be sunkissed with salt water in your hair, arguing about who was the best in the water. After Surf Camp we have a **surprise optional add on (only \$15AUD) up our sleeve** before roadtrippin' back to the big smoke of Sydney.

Today you're going to be **planning out your life in Australia**. You'll sit down with a member of the Community Team to **chat all about your Australia plans**, whether that's help finding farm work or questions about your resume. Or booking accommodation for next week or planning a whole East Coast adventure! All good things must come to an end - but not before a **farewell meal**. We'll be swapping stories, travel plans and Insta handles. Then the weekend is yours to enjoy!

How will I find a job?

With our help, that's how! As part of our service you'll receive exclusive tips, resources and guidance towards finding a job and farm work.

How much money do I need for food and drinks whilst on tour?

Because accommodation, activities and some meals and drinks are included, we suggest to bring around \$200-\$250 spending money.

What is the average age of people on tour?

We cater for people 18-39 years old, but it always varies, we love that!

Do I need a visa to come to Australia?

Yes you do! If you're just visiting Australia, you'll need a Visitor Visa. If you also want to work, you'll need a Working Holiday Visa (417) or a Work and Holiday Visa (462) depending on where you're from.

I'm nervous to travel solo! Will the group help me with this?

Of course you are – anyone would be – and of course we will! One thing about our tours that amazes us the most is how close our travellers get on tour. Everyone's in the same boat, and you will make friends for life.

What happens after my tour with Welcome to Travel?

Up to you! Everyone is different and your plans may even change after meeting some new mates. Either way, our team will go through options that suit YOU. We're here for you throughout your whole time in Straya!
